Professional Summary:

Architecture student at Cairo University with a strong focus on computational and parametric design, and a growing interest in sustainable construction methods. Experienced across 3 internships at leading Egyptian firms. Taking part in international conferences and workshops. Regular volunteer at Mersal NGO, contributing to community development initiatives.

Education:

Bachelor's degree in Architecture *2023 - Current*

Architectural Department, Faculty of Engineering Cairo University, Egypt
GPA: 3.05/4

- Helped organized CUFE's graduation projects expo | duration 1 week

International General Certificate of Secondary Education (IGCSE)

Maadi Narmer School *2015 - 2023*

Grade: 99%

- Helped Organized my school's MUN 2 years in a row

Work Experience:

Dar Al-handasah *2026 (14/6 - 13/7)*

Position: Summer Intern

Gained hands on experience on detailed drawings and documentation.

Worked on Jaddah Historic District documenting historical buildings condition.

The Arab Contractors *2025 (1 month)*

Position: Summer Intern

Gained hands on experience on the construction process, working directly with building materials and techniques including timber formwork, reinforced steel fixing, masonry, and plastering.

Hassan Allam Holding *2022 (2 weeks)*

Position: Summer Intern

Completed a structured training program covering the full project lifecycle: from pre-contract planning through to site delivery — gaining foundational exposure to large-scale construction operations at one of Egypt's leading developers.

Extra Curricular Activities:

Rec2Build *2025*

Co-designed and prototyped a construction unit made from recycled plastic as part of an international collaborative workshop between Cairo University and the University of Bath (UK). Contributed across the full project lifecycle — from concept design through to physical fabrication and final exhibition.

ARCHCAIROX *2026*

Selected to present an infographic poster on sustainable architecture at ARCHCAIRO's 10th International Conference, one of the region's leading architecture forums.
